

Admissions Compliance Specialist

[Apply Now](#)

Company: IVAEN Education

Location: Manama

Category: business-and-financial-operations

Review, organize, register, and archive required admissions paperwork and documentation, including diplomas, transcripts, motivation and recommendation letters, and other relevant documents.

Verify students' admissions documents for eligibility to enroll in academic programs, ensuring alignment with our admission criteria.

Ensure the documents' compliance with admissions requirements set by our dual-degree partner universities.

Safeguard the availability and accessibility of all documents in various databases, including CRM (Salesforce), ERP, share drives, and hardcopies.

Provide timely and comprehensive responses to student inquiries related to admissions support, including accommodation, relocation, visas, and other related matters.
