

Executive Support Strategy Advisor

[Apply Now](#)

Company: Domo Ventures

Location: Manama

Category: other-general

Serve as the primary point of contact between the managing director, senior executives, internal departments, and external partners.

Oversee the progress of major company initiatives, ensuring alignment with strategic objectives and timely completion.

Lead special projects as delegated by the managing director, collaborating with diverse teams for successful outcomes.

Undertake research and analysis to aid decision-making, development of strategic plans, and recommend new or revised policies and strategies.

Assist the executive team members in determining and prioritizing business strategies based on their schedules.
