

Global Divisional Supply Chain Management Lead

[Apply Now](#)

Company: Olympus EMEA

Location: Manama

Category: other-general

Oversee supply concerns, managing the Supply Planning process and teams, and interfacing with both the global Division and global Supply Chain Management (SCM)

Effectively communicate and coordinate supply issues within the Division ISC, including providing a global overview of the backorder situation, including estimated timelines and status updates for critical products

Collaborate with Global Division and Business Unit (BU) Leaders to define, confirm, and update priorities

Drive a continuous improvement agenda to enhance supply performance for all items within the Division, including integrating Global Sales and Operations Execution (S&OE) guidelines into Divisional processes
