JobSummary

Our client is a leading International investment bank. They are currently looking to recruit a Graphic Designer to be based in Bahrain

Duties & Responsibilities

Design electronic (in relevant file formats) and printed versions of various PRMW marketing materials (in English) e.g. investment executive summaries pitchbooks and teasers which are used by The Company as a key tool for marketing its products.

Obtain high quality images for investment materials by liaising with investment teams and creatively searching the net.

Liaise with intermediate design firms and printing presses in Bahrain and/or New York to deliver hard copies of various marketing materials within a designated timeframe.

Create and update platform presentations investment proposals and other marketing related documents in PowerPoint as per directions from members of PRMW. Transfer current library of PowerPoint slides to the new corporate template.

Develop an understanding of information and process flows (and gaps thereof) across the firm and a good working relationship with respective internal counterparties.

Undertake special projects as required.

Perform additional duties that may be assigned from time to time.

Qualifications & Experience

Bachelors Degree in marketing/ PR/ Branding Professional Certificate holder preferred.

Candidate must have reasonable experience (4-6 years) of Graphic Designing in a financial institutions or marketing agency like environment.

Bilingual (English/Arabic) candidates will be preferred with a strong background in branding and developing electronic material.

Good Interpersonal skills will be required given the heavy interaction with team members at all levels of the organization.

This job has been sourced from an external job board.
