- Identifying risks, managing tax exposures, and mitigating tax risks by providing tax planning, structuring, and highlighting tax implications
- Recognizing and evaluating the materiality and significance of tax-related issues and recommending appropriate solutions to ensure compliance
- Improving processes by developing or implementing sustainable tax strategies
- Building relationships and interacting with clients to provide excellent planning, consulting, and expertise
- Informing management of changes in the tax environment, as well as the ramifications of tax legislation changes

### Decision Making Authority

- In coordination with the Director and Partners

### Supervisory Responsibility

- Develop budgets, determine resource requirements, and monitor engagements
- Projecting work fulfillment, delegating work effectively, and resolving related issues

### Competencies/Knowledge, Skills, and Abilities

- Excellent numeric and analytical skills
- Result-driven and client focus
- Ability to meet client deadlines
- Ability to withstand work pressure
- Excellent communication and interpersonal skills

### Qualifications

- Degree in accounting, finance, commerce, or related field
- Completed a professional qualification, such as CPA/ACCA/CA
- At least five years of professional experience in the taxation field
- Excellent knowledge of tax accounting, tax compliance, and all types of tax returns
- Good knowledge of business process
- Qualified applicants will be prioritized
