Company: Allen & York

Location: Bahrain

Category: life-physical-and-social-science

Job description

About us: Allen & York have been matching purposeful people with purpose-led organisations for 30 years. We partner with our clients and candidates on roles that build an understanding of climate change, promote sustainability and create inclusive and responsible organisations, working towards a sustainable world for us all. Committed to inclusiveness in the workplace, we aim to increase diversity across all areas and therefore welcome applications from all qualified candidates, regardless of their ethnicity, race, gender, religious beliefs, sexual orientation, age, or whether or not they have a disability. Let's help build a better world, together.

Our client is an Environmental Consultancy in Bahrain. They are looking for an experienced Marine Biologist/Consultant to join their team.

Full relocation package offered.

Marine Biologist / Consultant with at least 5 years' experience, preferably in environmental consultancy.

Good English writing and speaking.

Coral expertise preferable.

Field survey skills a must. Diver HSE IV even better.

Experience in preparing marine baseline survey reports and impact assessments.

Regional experience preferred.
