Company: Shahico Holding

Location: Manama

Category: other-general

### Job description

We are looking for a reliable Performance Team Leader to be responsible for the overall supply chain management. Performance Team Leader responsible for managing the entire order cycle to enhance business development and ensure sustainability and customer satisfaction.

### Responsibilities:

- Strategically plan and manage logistics, transportation, and customer service.
- Direct, optimize and coordinate full order cycle.
- Liaise and negotiate with suppliers, manufacturers, retailers, and consumers.
- Resolve any arising problems or complaints.
- Maintain metrics and analyze data to assess performance and implement improvements.

### Requirements & Skills:

- Proven work experience as a Performance Team Leader or related position.
- Demonstrable ability to lead and manage staff
- Proficient in standard logistics software.
- Excellent analytical, problem-solving, and organizational skills.
- Ability to work independently and handle multiple projects.
- BS in Business Administration, Logistics, or Supply chain.

Job Type: Full-time
