

## Principal Consultant

[Apply Now](#)

Company: Provenir

Location: Manama

Category: business-and-financial-operations

Strategically contribute across accounts, elevate the strategic thinking of all team members (including clients)

Schedule and contribute to various client meetings to position Provenir solutions adding subject matter expert knowledge.

Drive successful engagements that cover all the client's customer lifecycle from onboarding to renewal.

Identify design and configuration deviation from best practices to then align a client's business strategy and objectives with an enabling Provenir solution.

Manage and maintain effective relationships with various key stakeholders to recommend resolutions as per client requirements.
