

Raw and Packaging Material Planner

[Apply Now](#)

Company: Arla Foods

Location: Manama

Category: other-general

Are you looking to join a dynamic and dedicated team in the field of supply chain management? We have an exciting opportunity for you as a Raw and Packaging Material Planner. Join our team, where you will play a vital role in ensuring the efficient delivery of high-quality Arla products. If you are proactive, analytical, and possess strong communication skills, we invite you to be a part of our team and contribute to the success of our supply chain operations.

About the Role:

As the Material Planner, you will have several key responsibilities.

Develop and maintain a comprehensive supply plan for raw and packaging materials, taking into account production schedules, inventory levels, and customer demands.

Collaborate with cross-functional teams, including Product Management, New Product Development, Quality, and Procurement to minimize leftover material stock in case of new packaging material development or recipe changes.

Work with Finance team to clear supply process-related costs, such as demurrage, charges, credit notes, etc.

Collaborate with Production Planning, Production, Procurement and 3PL to ensure timely availability of materials for production.

Monitor and analyze inventory levels to identify potential shortages or excesses and take appropriate actions to optimize inventory levels while minimizing costs.

Coordinate with suppliers to ensure timely delivery of materials, resolve any supply-related issues, and maintain strong relationships.

Maintain accurate and up-to-date records of inventory levels, supplier information, and supply chain activities.

Continuously assess and improve supply planning processes and systems to enhance efficiency and accuracy.

Keep abreast of industry trends, market conditions, and regulatory requirements that may impact material supply and adjust plans accordingly.

Prepare reports and present supply chain performance metrics to management on a regular basis.

Who Are You?

To excel in the role of Raw and Packaging Material Planner, you should possess the following qualifications:

Bachelor's Degree (BA, Bsc) or equivalent.

Minimum 2 years of experience in a Logistics or Supply Chain.

Proficiency in Excel and SAP.

In addition, you should have the following skills and attributes:

Good communication and presentation skills.

Proactive with the ability to achieve goals independently.

Strong problem-solving and analytical skills.

Positive attitude and proactive approach.

Ability to work well in a team.

What Do We Offer?

By joining us as a Raw and Packaging Material Planner, you will become a valued member of our dynamic team. You will have the opportunity to work in a fast-paced and challenging role,

contributing to the efficient delivery of high-quality Arla products. As part of our regional team that collaborates across countries and functions, we are committed to nurturing your growth and development.
