

Salesforce Developer

[Apply Now](#)

Company: Starlight Retail Inc

Location: Manama

Category: computer-and-mathematical

- Translate functional requirements into technical requirements
- Design and build high-performance, reusable, and reliable Apex code with best practices
- Ensure the best possible quality of the application
- Take ownership of project work and developing client relationships (should be a confident self-starter)
- Identify bugs and align with requirements during debugging
- Write test classes for the class that you develop and ensure more than 80% code coverage
