

Senior Associate Director GTM Enablement

[Apply Now](#)

Company: Deel

Location: Manama

Category: life-physical-and-social-science

Lead the development and continuous improvement of our global GTM Enablement training and enhancement programs, strategy, and teams.

Proactively identify and own strategic initiatives that achieve Deel's business outcomes.

Enable your team and Deel to track observable and measurable learning and evaluation outcomes in line with agreed business needs.

Leverage data and analysis to define, track, and improve milestones and KPIs with timely reporting.

Act as a business partner to Deel's senior leadership team on progress against your initiatives and KPIs.

Engage with and understand audiences to ensure that your teams and their programs meet their ongoing needs.
