Company: Tanqeeb

Location: Manama

Category: life-physical-and-social-science

A leading wealth management company is seeking a talented individual to join its team as a Senior Associate. The successful candidate will play a vital role in driving key projects, shaping strategy, and facilitating change within the company.

### Key Responsibilities:

Identify and implement opportunities for growth and improvement

Enhance relationship management functions and identify partnership opportunities

Collaborate with department heads to develop and execute strategic projects

Report on project progress to senior leadership

Stay up-to-date on wealth management and digital transformation best practices

Shape strategy and create actionable plans with senior management

Drive business process improvement and change management activities

Support senior leadership in delivering business plans

Analyze department structures and design solutions that align with strategic goals

Research market trends and their impact on investor demand for alternative investments

Contribute to team goals and support other team members

### **Qualifications:**

3-5 years of management consulting experience, with a preference for financial services clients

Background in large-scale digital transformation and process optimization

Bachelor's or Master's degree in Finance, Management, or Economics from a top-tier academic institution

Higher education and professional qualifications preferred

### **Skills & Competencies:**

Entrepreneurial mindset and self-starter attitude

Excellent Arabic and English communication skills (written and oral)

Comfortable engaging with C-level and senior leadership

Strong problem-solving skills and ability to work well under pressure

Open to digital ways of working and embracing new experiments

Passionate about learning best-in-class wealth management practices

Positive and energetic team player with strong cross-team collaboration skills

Efficient, organized, and self-disciplined

Excellent Arabic and English communication skills (written and oral)
