Company: Business Umbrella

Location: Manama

Category: other-general

We are seeking a highly motivated and certified personal trainer to join our fitness facility. As a personal trainer, your primary responsibility will be to guide and motivate clients towards achieving their fitness goals. You will work closely with individuals of all fitness levels, designing and implementing personalized workout programs while providing guidance on nutrition and lifestyle choices.

Responsibilities:

Conduct initial assessments: Meet with clients to assess their fitness levels, discuss their goals, and evaluate any potential limitations or health concerns.

Develop customized workout programs: Create tailored exercise routines based on clients' goals, fitness levels, and specific needs, ensuring safety and effectiveness.

Provide instruction and guidance: Demonstrate exercises, correct form and technique, and offer modifications as needed to help clients achieve optimal results while preventing injuries.

Motivate and support clients: Inspire and encourage clients throughout their fitness journey, providing continuous motivation, accountability, and support.

Monitor progress: Track clients' progress, regularly reassessing their fitness levels and adjusting programs accordingly to ensure steady advancement towards their goals.

Educate on nutrition and lifestyle: Offer guidance on healthy eating habits, proper

hydration, and other lifestyle factors that can enhance overall well-being and fitness results.

Maintain a safe and clean environment: Ensure that the training area and equipment are clean, organized, and in good working condition, adhering to health and safety protocols.

Stay updated on industry trends: Continuously expand your knowledge and stay current with fitness trends, research, and advancements to provide the best possible training experience for clients.

Qualifications:

Certification: Possess a valid and recognized personal training certification from a reputable organization (e.g., ACSM, NASM, ACE).

Education: A degree in exercise science, kinesiology, or a related field is preferred but not mandatory.

Experience: Prior experience working as a personal trainer is beneficial, especially with a diverse range of clients.

Strong interpersonal skills: Ability to build rapport, communicate effectively, and establish a supportive and motivating environment for clients.

Knowledge of anatomy and physiology: Understanding of human anatomy, movement mechanics, and exercise physiology to design safe and effective workout programs.

Customer service orientation: A friendly and approachable demeanor, with a genuine desire to help clients achieve their fitness goals.

Adaptability: Flexibility to accommodate different client preferences, fitness levels, and limitations.

Professionalism: Maintain a professional appearance and demeanor while upholding ethical standards and client confidentiality.

CPR/AED certification: Possess current CPR and AED certifications or be willing to obtain them.
