

Specialist Rider Acquisition

[Apply Now](#)

Company: talabat

Location: Manama

Category: business-and-financial-operations

Job Description

- Build, utilize and maintain a supply model capable of forecasting number of required riders on a monthly and quarterly basis
- Formulate recommendations and implement strategic solutions to fulfill rider supply requirements (including for peak times, special occasions, and spikes in order demand)
- Track and analyze rider supply forecast, and monitor fulfillment across all Talabat's suppliers
- Identifying blockers to supply fulfillment and possible corrective actions
- Monitoring rider activity and implementation of procedures to control rider churn
- Ensure sufficient rider supply data is shared across internal and external stakeholders
- Measure and analyze rider earnings per hour and introducing suggestions to improve rider net income
- Create, verify and distribute monthly timesheets used for supplier invoicing
- Ensure accuracy of financial data (payment rules, payment reports, special schemes)
- Track and analysis financial trends (invoicing, deduction, CPO)
- Formulate and execute initiatives that improve supplier finances

Qualifications

- You have successfully completed a Bachelor's or Master's degree, preferably in Logistics, Management Information Systems, or Finance
- Preferably you gained 3+ years of work experience in logistics firms, financial institutions
- Strong Excel, Google Sheets, and data management skills
- Strong project management and stakeholder management skills
- You are a doer and a free thinker. You accept and adapt constantly to change
- Willing to question the status quo
- Team player. We are looking for someone who fits the team and the company culture
- Make it happen attitude, where results are ensured to be achieved regardless of all obstacles
